Cemintel Territory fibre-cement cladding
- Green Building Summary Sheet

Product Name	**Cemintel Territory fibre-cement cladding**
Document Type	Green Building Rating Compatibility Analysis
Document Code	ES-GSNZ-18-90
Client	CSR

The Cemintel Territory Architectural Wall Panels (AWP) range includes lightweight prefinished fibre reinforced cement cladding products. The panel products imported into New Zealand by CSR from select Japanese manufacturing plants that are certified under ISO14001. The products have been tested for low VOC emissions.

Manner in which the product may contribute towards points	Legend of Symbols in EnviroSpec
Products must meet specific criteria (e.g. Paint VOC emissions, carpets, etc)	✔
Products may help achieve points by their very nature, if they are specified and installed (e.g. bicycle racks)	●
Products may help achieve an outcome but they must be used in a specific manner (e.g. lighting control and zoning systems) OR The nominated product(s) can contribute towards the outcome but many other products or factor influence that same outcome (E.g. Potable Water Calculator)	○
