

Company: Cavalier Bremworth

Document number: EVS-16-33b

Issue Date: 2 June 2016

Subject:

Documentation for Cavalier Bremworth CIAL-ECS Level 4 certified solution dyed nylon carpets

As part of its independent product verification activities, EnviroSpec regularly refers to and reviews CIAL – ECS certificates.

CIAL maintain a dynamic database of certified carpets, available for download as an Excel spreadsheet with hyperlinks to the required PDF certificates.

There is no expiry date on the certificates and products are deemed certified as long as they are published on the CIAL-ECS database.

The certificates are too numerous and CIAL-ECS database updates are too regular for EnviroSpec to download a static version and publish on www.envirospec.co.nz

This verification letter acts as recognition of certification and refers users to view the list of products available for download through the CIAL website:

1. **Click here to download a list of all CIAL-ECS certified products (the list is customizable to search only Cavalier Bremworth ECS Level 4 carpets by using the drop-down selections in the column title cells)**
<http://www.carpetinstitute.com.au/wp-content/uploads/2016/05/ECSCarpetNameRating20160512.xls>
2. **You can then click here to download the relevant certificate for the product you have selected**
