

CEMINTEL®

Tuesday 7th May 2019

To whom it may concern:

The naming and branding for the Designer Series cladding system has been changed to Cemintel Territory as of the 13th May 2019. The product continues to be manufactured by Nichiha Corporation in Japan.

As NZ Brick Distributors is only a distributor of the product for Cemintel in New Zealand, the branding is being updated to align with the Australian branding which was updated from Designer Series to Territory in 2017.
