To whom it may concern,

Cemintel has long been recognised for its excellence in manufacturing and distributing high-quality Fibre Cement products, known for their durability, versatility, and aesthetic appeal. Until now, CSR Building Products (NZ) LTD has distributed a small selection of the Cemintel range, including the Rigid Air Barrier, Cemiseal® Wallboard, Eaves Lining sheet and Cladding sheet, while the Cemintel Territory™, Surround™ and Barestone™ lines have been distributed through New Zealand Brick Distributors LP.

On Tuesday 2 April, CSR Building Products (NZ) LTD will take over the distribution of Cemintel products from New Zealand Brick Distributors LP.

While New Zealand distribution has changed, Territory products continue to be manufactured by Nichiha Corporation in Japan.

This change brings all our Cemintel products within CSR Building Products (NZ) LTD's portfolio, and complements our existing offerings of Bradford, Hebel and Monier Roofing products. We are excited be able to provide you with an even more comprehensive selection of building materials designed to meet the evolving needs of diverse construction projects.

For more information, please contact orders@csr.co.nz 0800 999 277.

Kind regards,

Chris Kenny
Regional Manager
CSR Building Products (NZ) Ltd
