<b>Client</b>
Winstone Wallboards (GIB®)

<b>Product Name</b>
GIB® Soundseal

<b>Product Description</b>	
<p>GIB® Soundseal is a water based acoustic sealant. Highly flexible for use in GIB® Noise Control Systems. Reduces sound transmission in partition and frame wall systems.</p>	

Manner in which the product may contribute towards points	Legend of Symbols in EnviroSpec
Products must meet specific criteria (e.g. Paint VOC emissions, carpets, etc)	✓
Products may help achieve points by their very nature, if they are specified and installed (e.g. bicycle racks)	●
Products may help achieve an outcome but they must be used in a specific manner (e.g. lighting control and zoning systems) OR The nominated product can contribute towards the outcome but many other products or factor influence that same outcome (E.g. Potable Water Calculator)	○
