RE: Conformance Declaration of environmental credentials

To whom it may concern,

I hereby confirm that all Armaflex insulation products are have an Ozone Depleting Potential of Zero, meaning no ODS are present in the final product or used in the direct manufacture of the product.

The above statement encompasses all Ozone Depleting Substances as notified by the Montreal Protocol to the Geneva Convention and all Class 1 and Class 2 ODS as notified by the Environmental Protection Agency (attached list).

Kind regards,

Dr. Stephen Hodson
Marketing Manager - APAC
