Confirmation of PVC free content

Cavalier Bremworth CIAL – ECS levels 3 and 4 certified Carpet.

I hereby confirm that all Cavalier Bremworth CIAL – ECS level 3 and 4 certified carpets are free of any PVC content. The backing is made of polypropylene. An example of a product specification sheet is provided as an attachment and serves as a representative example of PVC free confirmation for all other products nominated above.

All relevant product datasheets can be obtained directly from the Cavalier Bremworth Website <http://www.cavbrem.co.nz/>

If there are any questions or clarifications required please contact us at 0800 808 303.

Sincerely,

A handwritten signature in black ink, appearing to read 'Noa Learemanu'.

Why choose Bacall?

100% SUSTAINABLE, RECYCLABLE, BIODEGRADABLE AND ENVIRONMENTALLY FRIENDLY

Our wools are grown in open New Zealand pastureland following sustainable animal-friendly practices, resulting in happy flocks and a carpet fibre that is natural, renewable and biodegradable.

ACCS ENVIRONMENTAL ACCREDITATION (ECS)

We've achieved the highest environmental grading – ECS Level 4, contributing valuable points towards both materials and indoor air quality under the Green Star office rating system.

ACCS RESIDENTIAL PERFORMANCE RATING

This product has achieved an ACCS Residential Extra Heavy Duty plus Stairs 6* rating making it the perfect choice if quality and performance are important

BEAUTIFULLY SOFT UNDERFOOT

Warm and comforting, soft and luxurious – wool carpet provides an unmatched sensory experience.

Bacall Exclusive Hardtwist Cut Pile 100% Pure New Zealand Wool Carpet - Cavalier Bremworth
Stairs 6 Stars – the best residential grading a carpet can achieve in terms of performance and durability. *Please refer to the Cavalier Bremworth Warranty and Maintenance Guide for further details. See link in the Downloads section below.

GOOD FOR STAIRS

A great choice for high traffic areas like stairs
